

Free Pharmacy Program

The Free Pharmacy Program provides free prescription medications to North Carolina residents who are uninsured and fall at or below 300% of the Federal Poverty Level.

This statewide program is the answer for those who do not have the means to obtain life-saving medications to treat chronic diseases such as, heart disease, diabetes, and asthma.

To qualify, applicants must meet the following requirements:

- Live in North Carolina
- No health insurance. (We may be able to help some Medicare patients on a case-by-case basis. Please contact us.)
- Income at or below 300% of the Federal Poverty Level

There is no fee to apply. Eligible patients will be enrolled in the program for up to a year. All medications will be mailed to their address at no cost.

View the medication list and complete an application at:
